President's Report

Jason Mazigian, CPL

FORE!!! Summer is upon us and that means a few things. One - it is hot out. Two - it's lake and/or river time. Three - oil is hovering around the \$70-\$75 range and that is not a bad thing based on the past few years. Four - it's time for the annual LAND golf tournament.

August 6th is our 27th Annual LAND Golf Tournament and hopefully you have signed up to participate in the great networking event. The LAND meeting and golf tournament will be held in Medora at the Bully Pulpit Golf Course. Registration begins at 10:30 a.m., LAND meeting at 11:00 a.m., Golf Rules at 12:10 p.m., and a 12:30 p.m. Shotgun Start.

REMINDER - all times are Mountain Time.

If you are not a golfer or cannot make it for golf, please join us for dinner, drinks and camaraderie at approximately 6:00 p.m. at the Chuckwagon in Medora! I would like to thank the following: Tom St. Peter for his time and efforts in coordinating this tournament for the association, the sponsors who donate money, prizes, and their time and the golfers who help make

this tournament an enjoyable event. After checking with Tom, we have quite a few openings for more golfers. Please register for golf by July 20, 2018 and forward your golf registration and payment to Tom as soon as possible. Looking forward to seeing you there!

Special Guest(s) - Representative(s) from the county recorder's office who have decided to sever ties with NDRIN in favor of setting up their own virtual vault, will be attending our quarterly meeting. They will be there to discuss the new system and to answer any questions. Please plan to attend the L.A.N.D. meeting, to get the information from those who have the answers.

Please continue to stay safe out there!

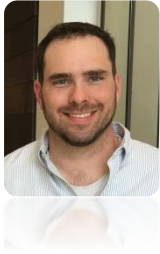

Sincerely,
Jason Mazigian

McKenzie County Exciting Changes

McKenzie County has some new and exciting news both in office and online.

If you come to McKenzie County and need to make copies, you no longer must make a "paper" copy and then take it back to your office for scanning. Starting next week, we have a new program that allows customers to place documents needed into a folder on the public computers via the Cloud. You can name your folders anything you wish. At the end of the day, you will check out at the front desk, the computer will track the number of copies you make, you will pay for your copies and then a link will be e-mailed to you. You can then retrieve your images and do whatever you wish with them! We will still have printers and you can print the documents if you wish on paper.

I am sure many of you have heard that McKenzie County is severing ties with NDRIN. Please don't be alarmed! We will have our own website up and running very soon! I promise you are going to love our website! It will be called McKenzie County Virtual Vault; MCVV or MC V squared. We are going to begin the testing phase in May and hope to go live by June 1. More information will be coming to all of you as we get closer to the time to roll out the new website. McKenzie County's images and data will remain on NDRIN until we go live with the new website.

AAPL Director's Report

Michael Dewald, RPL

Unfortunately, I was unable to attend the AAPL Annual Meeting in Denver. I heard it was well attended and a great conference. I hope to make it to next year's meeting in Pittsburgh, PA.

In the last few weeks, an email was sent out to gauge our membership's interest in holding an RPL/CPL review and exam in North Dakota. If I remember correctly, North Dakota has not hosted an exam in the past five years. We did not get a significant response. If you are interested, please get a hold of Kate Moser Black or myself so plans can move forward (see details in the article to the right).

Mark your calendars for these upcoming AAPL Events:

Summer NAPE – August 15th - 16th, 2018 – Houston, TX

NAPE Summit – February 11th – 15th, 2019 – Houston, TX

Annual Meeting – June 19th – 22nd, 2019 – Pittsburgh, Pa

I plan to attend the next quarterly meeting in September. Please get a hold of me with any concerns, questions, or suggestions, and I can bring them to AAPL's attention.

Thank you,

Mike Dewald

RPL/CPL Review and Exam in North Dakota

We are currently vetting the idea of bringing an RPL/CPL Review and Exam to North Dakota. In order for the AAPL to come we need to have at least 20 signed up for the event. Please see the two attachments for details about cost and approximate schedule. We have NOT set a date or location for a prospective review and exam. If you are interested in attending the event please respond to kate@inlandoil.net with the following:

1. Desired Review/Test Location
2. Desired Approximate Dates (or rather, approximate dates that would make it difficult for you to attend) – we're thinking spring 2019.
3. Your current certification level and desired certification level for review/exam

You will need to apply for a certification PRIOR to taking the exam. Please take into consideration this timeline. More information on Certifications: <https://www.landman.org/education/certification>. There will be 19 CEU's, including one (1) Ethics credit available for this review. We also have the option of requesting some SBAND CLE's for the course.

PLEASE RESPOND BY FRIDAY, JULY 27, 2018, IF YOU ARE INTERESTED IN ATTENDING THE EVENT, SO WE CAN GET THE TRAINING SET-UP WITH AAPL!

North Dakota Petroleum Council Report

Ron Ness, President of the North Dakota Petroleum Council

ACT TODAY: Watford City seeks assistance following devastating storms

A newborn baby was killed and more than two dozen people were injured when the storm moved through the Prairie View RV Park in Watford City shortly after midnight on Tuesday, July 10 according to media reports. More than 120 structures were demolished.

Many, many people have assisted so far with donations of food, clothing, lodging, but more help is needed.

McKenzie County Emergency Management officials are asking that those who wish to help donate money rather than clothing or household items. A fund has been set up for storm victims at through the North Dakota Community Foundation. Donations may be made online at this link https://ndcf.net/m/donate.html?get_id=6%2F8DQ2maV11W9WvL1ekfj6jXhS8Y%2FCY7FnrsQ5Xq3VsGpClw1j075a3JNQSya8kmOPk4BXNI2OuqrIt4R7txZHWdpoZUHD%2FD5utbnEds4WIYVICA97AVwvfFO2BzSmfzPrO4OS9Rl8c and "Watford City Tornado Fund" should be added in the "In Memory Of" field.

North Dakota oil and gas production hits new record

"Way to go NDPC members! Amazing well done." - Lt. Gov. Brent Sanford

"Incredible productivity gains – by risk taking entrepreneurs and technologists! Love it!" -Gov. Doug Burgum

North Dakota has reached new records in both oil and gas production. May preliminary data released by the Oil and Gas Division indicates North Dakota is now producing 1,244,629 barrels of oil per day - an increase of 17,146 barrels from the last record set in December 2014.

North Dakota also continues to set record numbers for gas production reaching 2,318,754 MCF per day according to May data.

The Bakken is undisputedly a world-class resource that is providing a secure and reliable energy resource for our nation. Last week's news was a clear signal that this is the place to be. Our next challenge is to continue building infrastructure and attracting a skilled and workforce to continue growing this great resource."

NDPC Seeking Nominations for Industry Achievement Awards

The North Dakota Petroleum Council (NDPC) is accepting nominations for its Industry Achievement Awards, which honor individuals and companies for outstanding achievements within

and on behalf of the industry. The NDPC is seeking nominees for Excellence in Safety, Environmental Stewardship and Community Engagement.

Nominations will be accepted through August 15, 2018. There is no cost to the event and individuals or companies may nominate themselves. The winners will be honored at the NDPC Annual Meeting in Fargo, ND, September 24-26, 2018. Nominees must be NDPC members or employees of NDPC member companies.

Educational Seminar Was Well Attended

With the success of this training, L.A.N.D. is planning to continue a free seminar in May of next year. Please contact our educational chairman's Kate Black (kate@inlandoil.net) or Kim Backman (kbackman@crowleyfleck.com) with your suggestions for topics of interest or if you would like to present, sponsor or help with planning.

About one-third of the attendees came from the western part of the state to sit in on the seminars. ☺

L.A.N.D. would like to thank Kate and Kim for their planning, the presenters for the education, and all those that attended the seminar. We hope everyone enjoyed and received some valuable information.

L.A.N.D. held their second annual free educational seminar in Bismarck on May 7, 2018. The attendance double from last year's seminar. Topics of interest were well received and many questions were asked.

ND State Lease Sale
